BATH-HOUSES BAIDED.

Thieves made a raid on the bath-houses at Virginia Beach yesterday and "cleaned out" the clothes of some thirteen or fourteen men who were in the surf. False keys were evidently used to enter the bath-houses, as each was securely locked. Money, watches, jewelry, and other valuables were lost, and a visitor from Washington, it is said, had \$90 in currency stolen. The matter was reported to the manager of the hotel and is in the hands of the detectives here, but as the parties who were robbed failed to comply with the rulez as to valuables the house cannot be held responsible. There was a large excursion party from Norfolk on the grounds during the day, and the thieves doubtless got away in the crowd. MORE POPULAR THAN "CRAP."

An unusually large number of people are away from Norfolk this summer. Rev. J. B. Merritt left to-day for a visit to friends in Halifar county. County-Clerk A. H. Martin left to-day for the Montgomery White Sulphur Springs to join his family. DIED AT CODE ISLAND.

Mr. William T. Pearson, a well-known merchant of Portsmouth, died at Cobb Island this morning, where he went hoping to be benefited, having been a long time ill from a complication of diseases.

FIRST-DISTRICT DEMOCRATS.

nock-W. A. Jones Endorsed. ponderce of the Richmond Dispatch.]

[Correspondence of the Richmond Dispatch.]

Tapparannock, Va., August 3.—Prior to the nomination by acclamation yesterday of Hon. William A. Jones to succeed himself in Congress the following report of the Committee on Resolutions, of which Hon. J. N. Stubbs was chairman, was adopted:

We, the delegates from the First Congressional District, in convention assembled, repeating and reaffirming our fealty and fidelity to Democratic principles, dopublish the following piatform:

We congratulate the people of the country on the wise selection in placing Grover Cleveland as the candidate for President and A. E. Stevenson as the candidate for Vice-President, and call on every citizen desirous of good government to aid in their election.

We call attention to the fact that the force bill, so far from being a bugbear, is distinctly a Republican partisan measure, having been emphatically recommended by the President (now a candidate for reelection) as well as passed by a Republican House of Representatives and embodied and reaffirmed in the present Republican platform of principles, and we invoke the aid of all liberty-loving people who may differ with us on minor boints to unite with us to prevent the enactment of such an iniquitous measure as the Lodge (force bill. FORCE BILL.

That the beginning of governmental taxation, as well as the end thereof, should be limited by the necessities of the same, economically administered; that the iniquity of allowing one class of our people to require tribute-money from another class is at variance with good government, and that the burthen of government should be imposed upon the luxuries and not upon the necessaries of life. AGRICULTURAL.

We recognize the agricultural interest as of paramount importance to the prosperity of our country, and we favor any and all measures tending to ameliorate the griev-ances of farmers and laborers, and to the promotion of their material advancement. JONES ENDORSED.

That we cordially endorse the untiring efforts of our Representative, Hon. W. A. Jones, in the Congress of the United States, in behalf of the people of his State and district, and commend his action and the work performed by him as a member of the River and Harbor Committee, as well as his splendid fight to project the fish and oyster interests of the State, which accomplished the defeat of that infamous measure known as the "Lapham" bill; and we cordially approve the earnest efwe cordially approve the earnest ef-fort to enact a bill for the free coinage of silver, the same being in accordance with the platform upon which he was elected, as well as in accord with the views of the people of his district and State on this

question.

We heartily endorse the criticisms and approval made by the Hon. W. A. Jones in his canvass two years ago of the Farmers' Alliance platform adopted at Lynchburg. NOTIFICATION COMMITTEE.

A committee of five was appointed to inform Hon. William A. Jones of his nomi-nation as follows: B. Chambers, of North-umberland; N. B. Wutroll. Accomac; R. B. Merchant, Fredericksburg; James W. Jones, Caroline, and George Lane, Mathamas

It was a splendid convention and much In Jones will be elected.

Judge Newman, of Georgia, Hears a Motion at Charlottesville-Officers Elected. (Correspondence of the Richmond Dispatch.)

Correspondence of the Richmond Dispatch.

Charlotresville, Va., August 3.—A motion to modify an order to place the Macon and Georgia railroad in the hands of a receiver was heard in the City Council chamber yesterday before Judge W. T. Newman, of the United States Court for the Northern District of Georgia, who is staying in our midst. The motion was made by Edward Van Nance, of New York, a bondholder. The Richmond Terminal and Georgia Central companies leased the Macon and Georgia and defaulted in payment of their bonds. The plaintiff was regresented by N. E. Harris, of Georgia, and Marion Irwin, and the defendants by Henry Crawford, of Chicago, and Major John C. Haskell, of South Carolina. The arguments, which are said to have been of the highest order, were listened to by Colonel A. B. Andrews, president of the North Carolina railroad, and W. H. Green, the general manager of the Richmond and Danville railroad, who came to this city in their private cars.

The Charlottesville Hose, Hook-and-Ladder Company held their annual clear of officers last might, resulting as follows: C. D. Carter, commander; T. J. Williams, chief; R. R. Case, first warden; H. (Correspondence of the Richmond Dispatch.)

Cuzwe, Va., August 8.—The manager of the Crewe Land Improvement Company reports that it is the intention of that company to send a civil engineer here in a few days to make some estimates and plans preparatory to changing the source of the water supply for the town. It is proposed to abandon the present reservor which is situated on the north side of the town, and cross the railroad to the south side, where they can easily secure a more abundant supply of better water. It is to be hoped that this change will be adopted, as this company owns a great many houses here, most of which are supplied with water through the street water-mans that is by no means as pure as it should be.

Y. M. C. A. BUILDING,

There has been a request issued for a meeting of the members and triends of the Railroad Young Men's Christian Association in the Presbyterian church on Saturday, August the 6th, at 8 P. MEREDITH WILL SUCCEED HIMSELF. The Third Party Cannot Overcome 4,000

Democratic Majority.

[Correspondence of the Richmond Dispatch.] ALEXANDRIA, VA., August 3.—As the time draws near for the meeting of the convennon which will nominate a successor to Hon, E. E. Meredith in the House of Re-Hon, E. E. Mercuita in the House of Re-presentatives it becomes more evident that he will be his own successor and will get the nomination by acclamation. The claim of the Third party that they expect to de-teat Mr. Mercuith is preposterous. They could not do so, were a coalition to be formed between them and the Republicans, as the result Democratic majority here is as the usual Democratic majority here is about 4,000. It is certain that there are not enough deserters from the ranks of the Democrats to overcome this majority. It is still said here that Postmaster Agnew will be the Republican standard-bearer and will make a hard fight for Mr. Mere-dith's seat. dith's seat.

REPLACING STRIKERS. For the first time in the history of Alexandria Hungarian and other foreign laborers are being employed here. The strike of the negro laborers on the Mt. EVERAL CONGRESSIONAL ASPI RANTS BESIDES GENERAL MAHONE-The A. P. Hill Statue in Position-In-

terest in the Iron Hall Case.

Peresanung, Va., August 3.—In reference to the Republican congressional contest in the Fourth District it may be said that there are several reported aspirants for the honor of the nomination. The name of Mr. Thorpe, of Brunswick county, has been prominently mentioned in connection with it; so has that of Mr. Flannagan, of

with it; so has that of Mr. Flannagan, of Powhatan, and Mr. Hooper, of Farmville, and one or two others. Everytody knows that John M. Langston is in the field and anxious for the nomination. The report that General Mahone would accept the honor if tendered by the convention with anything like unanimity may, however, serve to simplify matters, and the belief is strong among the General's friends here that he will be made the nominee. Especially may this be the case if the convention is divided as between the several candidates.

OTHER MULLINS MURDERERS. The Two Flemings Hiding in Dickenson

Teachers Quite Scarce.

[Correspondence of the Richmond Dispatch.]

CLINTWOOD, Va., August 1.—The two
Fleming boys, Calvin and Heenan,
who, together with Dr. M. B. Taylor, were indicted for the murder
of Ira Mullins and others near Pound
Gap, are said to be hiding near this
place, where they have relatives. There
is an old farm-house in a secluded spot
near here, where, it is thought, they hide
themselves, their friends carrying provisions to them after night. The authorities of Wise county have been prosecuting
a vigorous search for them there, and they
had to change their haunts.

This is a busy season with our farmers
who have grass. There is more hay being
saved in this vicinity than ever kar-wn before. Grass is unusually good this year.

The weather continues hot and for the
most part dry. There have been some good
rains in portions of the county, but by no
means have the rains been general.

The teachers of this county are preparing
for the examination, which is to be held
on the 4th and fifth days of the month.
There will hardly be enough teachers to
fill the positions this year, as quite a number of our teachers are going to Kentucky
to "teach the young idea how to shoot."
